**BEAN TO BAR**

*The Journey to Handmade Premium Chocolate*

2500 years ago the ancient Mayans were enjoying cacao they had domesticated

Cacao beans were so important to the Mayan culture they became their currency

Today cacao beans are the currency of great culinary pleasure  
brought to you by the Handmade Chocolate Factory

# *The Journey to Culinary Pleasure Begins Here*

With this tree on a farm not to far from the Handmade Chocolate Factory in Antigua, Guatemala

The tree gives life to the cacao pod

That gives life to these seeds called cacao beans

Which are then fermented

And roasted

Processed into chocolate

*Scan here to take the  
bean to bar journey*

Finally coming to our hands where  
chocolate specialties are made

*And the final stop on our bean to chocolate journey*

*“Your First Bite”*
